

CELEBRATING OUR STORY

DOWERIN GWN7 MACHINERY FIELD DAYS
AUGUST 28-29, 2019

CORPORATE PARTNERS

The Dowerin GWN7 Machinery Field Days Committee would like to take this opportunity to thank its corporate partners for their generous and highly valued support. Their contribution is not only an endorsement of the annual event as a vital information highway for all farmers, but also a strong statement of support and belief in the quality and future of rural communities and country life across Western Australia.

The Dowerin GWN7 Machinery Field Days prides itself on contributing to its success each year and 2019 will be no exception.

The theme for our 55th annual event is "Celebrating Our Story"; it is a theme that not only resonates with our committee and volunteers, but also you, the committed exhibitor, and our wealth of visitors. We intend to delve into our history a great deal more this year, with contributions from all stakeholders and, especially, our exhibitors. Please contact the office if you wish to share any historical photos or stories relating to our event. We also encourage exhibitors to adopt this theme into their displays for 2019.

Despite true Field Days weather in 2018, with both rain and sunshine, a little over 22,000 visitors headed to Dowerin for the two-day event. We have received very positive feedback from numerous exhibitors, who reported record sales.

The Field Days board has been working hard on a Strategic Plan for the next five-year term. With upgrades to various infrastructure across the site and streamlining of office procedures in the plan, this all points to a very exciting 2019 and beyond. We have several new displays planned for 2019, including the introduction of the Experience Agriculture Pavilion to showcase all things agriculture, the continuation of the Young Farmers Challenge and Junior Merino Judging and a revamp of our fashion and entertainment areas.

I would like to take this opportunity to thank our sponsors for their continued support of the Dowerin GWN7 Machinery Field Days. These businesses all contribute to maintain our high-calibre event. I would especially like to mention our major partners – GWN7, Countryman and farmmachinerysales.com.au – for their long-term association with, and support of, our event.

On behalf of Dowerin GWN7 Machinery Field Days, I warmly extend an invitation to you and your company to display at our 55th event, to be held August 28 and 29, 2019. Our staff and committee are always here to assist, so please do not hesitate to contact us. We look forward to receiving your application.

SITE ALLOCATIONS

To ensure the Field Days Committee maintains the highest possible standard and range of exhibits, it reserves the right to accept or reject any application. Site allocations will be made by the Event Co-ordinator, who will take into account appropriate grouping of exhibits, size of exhibit, power and prior attendance history. While the Event Co-ordinator does their best to allocate preferred sites, this is not always possible due to the high demand for some blocks.

SITE SPLITTING

Due to a high demand for smaller block sizes, the Field Days Committee allows exhibitors to order a full or half-size site. This means if an exhibitor does not require a full-size site, they can request a half-size site and the remainder of that site will be allocated to a complementary exhibit.

This allows exhibitors the option to still request the same site they have occupied in previous years, even if they no longer require the full space.

PLEASE NOTE Site splitting is subject to availability and, therefore, cannot be guaranteed on certain sites. It is not available in the All Flags Lifestyle Pavilion, AKA Events Hire Good Food and Getaways Pavilion and permanent sheds in the Machinery Area.

BLOCK SHARING

Exhibitors are permitted to share their block, but must inform the Field Days Office. Exhibitors must include details of who they are sharing with via the Sharers Form on page 21. This is to ensure:

1. The exhibits of sharing exhibitors fall within the conditions of the Field Days.
2. The location of all exhibitors present at the event is known, to assist with visitor inquiries.
3. All exhibitors appear in the official program.

Sharing incurs a fee of \$200, payable by the main exhibitor. The main exhibitor must ensure they order enough additional extras, including power and passes, to accommodate their sharers. Illegal sharers will be removed from the site and charged the \$200 fee.

OPTIONAL EXTRAS

ANIMALS

Livestock are permitted on the site with prior approval of the Field Days Committee. Sheep can be hired for display purposes, via the Site Application Form, and will be delivered to exhibitor blocks each morning of the event. All livestock must be provided with adequate yarding and supplied with fresh water.

Exhibitors must meet their legal responsibilities for the identification and movement of livestock.

Dogs are strictly prohibited on the Field Days site, with the exception of service dogs.

FURNITURE

Furniture for sites must be supplied by exhibitors or ordered directly through approved suppliers. Please refer to page 9 for details of service providers.

LIQUOR LICENCE

Exhibitors must obtain a liquor licence directly through the Department of Local Government, Sport and Cultural Industries, and must seek permission from Dowerin Events Management before submitting an application.

Exhibitors will only be granted permission to serve alcohol between 4pm and 5.30pm on August 28, 2019.

Wineries in the AKA Events Hire Good Food and Getaways Pavilion will be covered under the Dowerin Events Management licence, and be permitted to offer tastings and sell package liquor from 8am until 5pm on August 28 and 29, 2019.

It is the responsibility of all exhibitors to ensure that an approved manager is present on their site throughout the licensed hours and that all people serving alcohol hold a current Responsible Service of Alcohol certificate.

PARTITIONING

Partitioning for sites within the All Flags Lifestyle Pavilion and the AKA Events Hire Good Food and Getaways Pavilion must be ordered directly through suppliers. The recommended suppliers for these areas are:

All Flags Lifestyle Pavilion

Advans Exhibition Services (08) 9451 8322

AKA Events Hire Good Food and Getaways Pavilion

Barrett Exhibition Group (08) 9244 2431

WATER

Water can be ordered via the Site Application Form and supplied to blocks at a cost of \$25. Water is delivered by a tank and is not suitable for drinking. Delivery is unavailable within pavilions.

MARQUEES

Marquees **CANNOT** be ordered through Dowerin Events Management. Outside sites **DO NOT** come with marquees. They must be ordered directly from suppliers. Please refer to page 9 for details of service providers.

Exhibitors must provide details of their supplier to Dowerin Events Management for its records.

It is the responsibility of exhibitors to ensure that all marquee pegs are covered for adequate safety.

Marquees must be erected and dismantled by the provider.

Marquees can be erected on the Football Oval and Hockey Field no earlier than 6am on August 24, 2019 and must be removed by 5pm on August 30, 2019.

POWER

Ten (10) amp electric power is available to most sites, and can be ordered via the Site Application Form.

All exhibitors must attach the power tie supplied to them by the Field Days Committee to their power cord or their power will be unplugged.

The Committee requests exhibitors do not operate excessive appliances from their single power outlet, and to consider that by overloading the system they may cause great inconvenience to other exhibitors.

Exhibitors need to provide their own 30m extension cords, which must meet appropriate safety standards. All electrical items must be tagged and tested by a licensed electrician within three months of the event.

If power is unavailable on an exhibitor's block, they may provide their own muffled generator.

STRAW BALES

Straw bales for livestock bedding and to enhance the look of a site can be ordered via the Site Application Form. Bales will be delivered to exhibitor blocks.

Exhibitors displaying or using hay obtained from outside of the Dowerin Shire must notify the Field Days Committee by July 5, 2019.

TELEPHONE

Fixed telephone lines can no longer be provided through Telstra. The Field Days Committee strongly recommends exhibitors consider wireless options, because private contractors can be costly.

Telstra mobile service is reliable but reception for other service providers cannot be guaranteed.

For information regarding private contractors, please contact the Field Days Office on (08) 9631 1021.

SERVICE PROVIDERS

Exhibitors must provide details of their supplier to Dowerin Events Management for its records. Marquees ordered through a supplier must be erected by the supplier, and not by the exhibitor. The list below is a selection of WA-based suppliers. For details of requirements regarding marquees, furniture and partitioning, please see page 8.

BUMP IN/BUMP OUT

All displays must be in place by 5pm on Tuesday, August 27, 2019. Displays must not be removed until after 4.30pm on Thursday, August 29, 2019.

Large displays should be in place as early as possible to ensure easy access to the site. Late arrivals will not be permitted to exhibit and will forfeit all monies paid.

All exhibits should be removed as soon as possible from sites, after 5pm on Thursday, August 29, 2019. Hockey Field and Football Oval blocks **MUST** be removed by 5pm on Friday, August 30, 2019.

Large machinery should be removed within 30 days, unless arrangements have been made with the Event Co-ordinator.

In the interests of public safety, exhibits **MUST NOT** be removed before 4.30pm on Thursday, August 29, 2019. No vehicles will be allowed on or off the Field Days site until 5pm.

Exhibitors must be off site by 6pm on Thursday, August 29, 2019, at which time a security patrol will commence. Sites that cannot be removed within the hour must be dismantled the following day.

Exhibitors wanting an exception must make a request in writing by July 5, 2019 and will have to follow strict security procedures if an exception is granted. Exhibitors not abiding by these conditions may be refused to exhibit in following years.

COURIER SERVICE

The Field Days offers a free Courier Service for exhibitors and their customers' benefit. To request this service, phone the Field Days Office on (08) 9631 1021.

CRANE AND FORKLIFT SERVICE

Forklifts and telehandlers are available for use free of charge from Wednesday, August 21, 2019 until Friday, August 30, 2019, **ONLY**.

Dowerin Events Management can no longer provide a free crane service for exhibitors. Exhibitors who require a crane must contact Boekeman Machinery on 0429 687 982 or Northam Crane Hire on 0417 173 944 to pre-book their lifts.

Drivers will be available to assist during the Field Days week. Prior to August 26, 2019, a driver with a current ticket must be provided by exhibitors.

PLEASE NOTE Forklifts available for lifts up to 2.5 tonnes. Any lifts over this will require a crane at a cost to the exhibitor.

DAMAGE TO BLOCKS

Exhibitors are responsible for any damage to blocks, water pipes and electricity cables running under the site. When erecting marquees, digging holes or driving posts into the ground, exhibitors need to be aware of red lines marked on the ground. These red lines represent **DANGER**, as power, telephone, water pipes and cables are underground in this area. Holes more than 5cm in diameter are not permitted on the Hockey Field or Football Oval.

It is the responsibility of the exhibitor to inform marquee providers of these conditions.

DEMONSTRATIONS

Demonstrations can be carried out at any time within an exhibitor's block with the permission of the Field Days Committee. **NO UNAUTHORISED DEMONSTRATIONS**. Safety of visitors must be considered at all times.

While machinery and equipment from static displays can be used in the demonstration area, separate machines are desirable to minimise movement from blocks to this area.

DRONES

The use of drones or unmanned aerial vehicles on-site, or in the caravan parks and car parks, is strictly prohibited. Exhibitors wishing to execute drone demonstrations **MUST** seek permission from the Event Co-ordinator.

EXHIBITOR PASSES

Exhibitor passes must be picked up from the office by 5pm on Tuesday, August 27, 2019. Passes will only be posted by prior arrangement with staff with a minimum of three weeks' notice.

In cases where passes have not been picked up prior to 5pm on Tuesday, August 27, 2019, the attendee will be expected to pay full price at the gate on entry to the event. All exhibitors are issued with three (3) passes per block on acceptance of their application.

Additional two-day passes may be purchased prior to the event via the Site Application Form or from the Field Days Office.

It is the responsibility of all exhibitors to ensure they and their staff have a pass for entrance into the event. Dowerin GWN7 Machinery Field Days will not be responsible for failure by any exhibitor or their staff to produce an entry pass.

FLYING IN?

Just 3km north-east of Dowerin, the airstrip is 1500 metres long with a gravel and natural surface. Courtesy vehicles are available to taxi pilots and passengers to and from the Field Days site. For more information, go to www.dowerinfielddays.com.au.

GATE ADVERTISING

Exhibitors are permitted to advertise at Field Days gates for an amount of \$100. Exhibitors are expected to provide and hang their own banners during the event, and are advised to remove them at the end of each day to protect against theft. Gate advertising can be ordered via the Site Application Form.

EXHIBITOR CATERING SERVICE

This service is provided by the Catering Committee of the Dowerin GWN7 Machinery Field Days. A range of options are available to order for delivery to your site and at a time of your choosing. For menu details and to order, go to the Corporate Catering Form on page 27.

For catering inquiries, contact the Field Days Office on (08) 9631 1021 or via catering@dowerinfielddays.com.au.

GRAIN/SEED HANDLING

Exhibitors are requested to ensure that all seeding and grain harvesting equipment is cleaned before entering the Field Days site, to avoid transference of foreign seed. All exhibitors displaying or using grain, seeds or hay obtained outside of the Dowerin Shire, must notify the Field Days Committee of such by July 5, 2019.

ICE

Ice is available for delivery between 8am to 9.30am on event days. Ice order forms are available from the Dowerin Apex Club via email at dowerin@apex.org.au.

OFFICIAL CEREMONIES

The 2019 Dowerin GWN7 Machinery Field Days will be officially opened on Wednesday, August 28 at 11.30am in the GWN7 Entertainment Pavilion. The presentation of exhibitor awards will take place on Thursday, August 29 at 10am in the GWN7 Entertainment Pavilion.

OFFICIAL PROGRAM

Countryman produces the official program of the Dowerin GWN7 Machinery Field Days. This program will be made available to visitors prior to and during the event. It is the only program that is handed out at the gate. For details, see page 4.

PERMANENT FIXTURES

Applications to erect permanent fixtures or buildings must be made to the Field Days Committee. If approved, the exhibitor must seek permission from the Dowerin Shire themselves.

PRINTED MATERIAL

Permission will **NOT** be granted for exhibitors to hand out printed material on the Field Days grounds, at the gates or in car parks. Exhibitors are permitted to hand out material from their own stands **ONLY** and must remove all rubbish/printed material from the site upon departure. Failure to do so will result in a cleaning charge.

PUBLIC ADDRESS/RADIO ADVERTISING

Advertising through the PA system and Field Days radio is available to exhibitors on both days of the event. Advertising exhibitors are permitted to set up a small radio on their site, tuned into Field Days FM, to maximise the benefit. To book PA advertising, see page 26. This form must be returned with full payment by July 5, 2019.

PUBLIC LIABILITY INSURANCE

All exhibitors must have their own public liability insurance with an indemnity amount of not less than \$10 million, covering them against any occurrences attributable to their activities or the activities of any persons for whom they are directly responsible.

Exhibitors who do not provide a certificate of currency to the Field Days Committee by August 1, 2019 will be charged an administration fee of \$30, so Dowerin Events Management can arrange cover on their behalf. Compulsory insurance is not a decision of the Field Days Committee but is a direct request of all insurance companies involved in any public event. Exhibitors not covered by Dowerin Events Management insurance must provide proof of cover in order to be accepted to exhibit.

RAMP

All off-loading must occur at the ramp to minimise the movement of heavy vehicles around the site. Please refer to the site map for the location of the ramp. For assistance unloading, please contact the Field Days Office on (08) 9631 1021.

PLEASE NOTE Forklift/telehandler drivers will only be available from August 26 to 30, 2019. Exhibitors will need to provide a driver outside of these dates. Please refer to Crane and Forklift Service on page 10 for availability of machines.

SAFETY INDUCTION

Exhibitors must ensure that all staff and suppliers have read, understand and comply with the Field Days Safety Induction. The induction can be found online at www.dowerinfielddays.com.au or exhibitors can request a copy by calling (08) 9631 1021.

SECOND-HAND EQUIPMENT

Second-hand machinery is **NOT** permitted at the Dowerin GWN7 Machinery Field Days, except where a current model is used in a demonstration area. This equipment must not be available for sale. The board reserves the right to alter this ruling and its decision will be final with no correspondence entered into.

SECURITY

For security reasons:

1. Exhibitors are not permitted to sleep on-site at any time throughout, or in the lead up to, the event. All accommodation caravans **MUST** be parked in the Field Days Caravan Park.
2. There will be no access to the Field Days site between 6pm and 6am, from Monday, August 26 until Friday, August 30.
3. Exhibitors are responsible for the security of their site from 6am until 6pm on all days, and must have a staff member present from 8am until 5pm on event days.
4. Walk-through gates will be unlocked at 6am to allow access to additional showers and toilets, as well as catering venues.

PLEASE NOTE Security will be patrolling from 6pm on Monday, August 26 until 10am on Friday, August 30, 2019. The Field Days Committee strongly suggests exhibitors do not leave sites unattended outside of these hours. Early set up of smaller items before Monday, August 26, 2019 is strongly discouraged and exhibitors do so at their own risk.

VEHICLE PASSES

DISPLAY VEHICLE PASS

Exhibitors whose vehicle must be used for demonstrations or as an essential part of their display must apply to the Field Days Committee outlining the reasons for the pass, via the Demonstration and Vehicle Access Form on page 22.

Display vehicles must remain stationary on exhibitor sites **AT ALL TIMES**. Any vehicles parked on a block not displaying a Display Vehicle Pass will be removed at the owner's expense.

Unregistered vehicles, such as new cars and machinery, do not require a Display Vehicle Pass, but must still remain stationary while not demonstrating.

SERVICE VEHICLE PASS

One Service Vehicle Pass is issued per exhibitor.

A Service Vehicle Pass enables exhibitors to bring their vehicle on site from 6am to 7.45am and from 5pm to 6pm on event days, with

MOVEMENT OF VEHICLES ON SITE

Vehicle movement around the Field Days site is strictly prohibited between 8am and 5pm on event days. Exhibitors will be allowed to remove their vehicles after 5pm on Thursday, August 29, 2019.

the purpose of restocking sites. These vehicles must be returned to the exhibitor car parks during visitor hours and display the Service Vehicle Pass at all times. Any vehicles parked on a block during visitor hours will be removed at the owner's expense.

Exhibitors who require more than one pass must contact the Field Days Office on (08) 9631 1021.

VEHICLE SAFETY

In the interests of public safety, all moving machinery must observe a speed limit of 10km/h and use hazard lights at all times while moving on the site.

Machinery must remain stationary throughout the event, unless being escorted to and from a demonstration area. All vehicles moving on site must display dealer or licence plates.

All vehicles must be operated according to safety instructions contained within the users manual and on safety stickers. This includes, but is not limited to, wearing seatbelts in forklifts and helmets on ATVs.

Operators must hold a current licence and qualifications that can be produced upon request.

WASH DOWN FACILITIES

To allow exhibitors to wash down machinery for enhanced presentation, a specific area has been set aside for this purpose. See site map for location.

ACCOMMODATION

Hotel and motel accommodation is heavily booked during the event, both in Dowerin and its surrounding towns. It is essential that early reservations are made and confirmed. A temporary Field Days Caravan Park is available for exhibitors wishing to bring their own vans, or exhibitors can seek private accommodation with the assistance of Field Days staff. For information, contact the Field Days Office on (08) 9631 1021.

CARAVANNING/CAMPING

The temporary Field Days Caravan Park is adjacent to the Field Days site and is a convenient accommodation option for exhibitors who have their own van or tent.

Camping on the Field Days site itself is not permitted **UNDER ANY CIRCUMSTANCES**.

All accommodation caravans must be parked off the Field Days site from 6pm.

To apply for space within the caravan park, see the Field Days Temporary Caravan Park Form on page 23. Alternatively, go to www.dowerinfielddays.com.au for information.

PRIVATE ACCOMMODATION

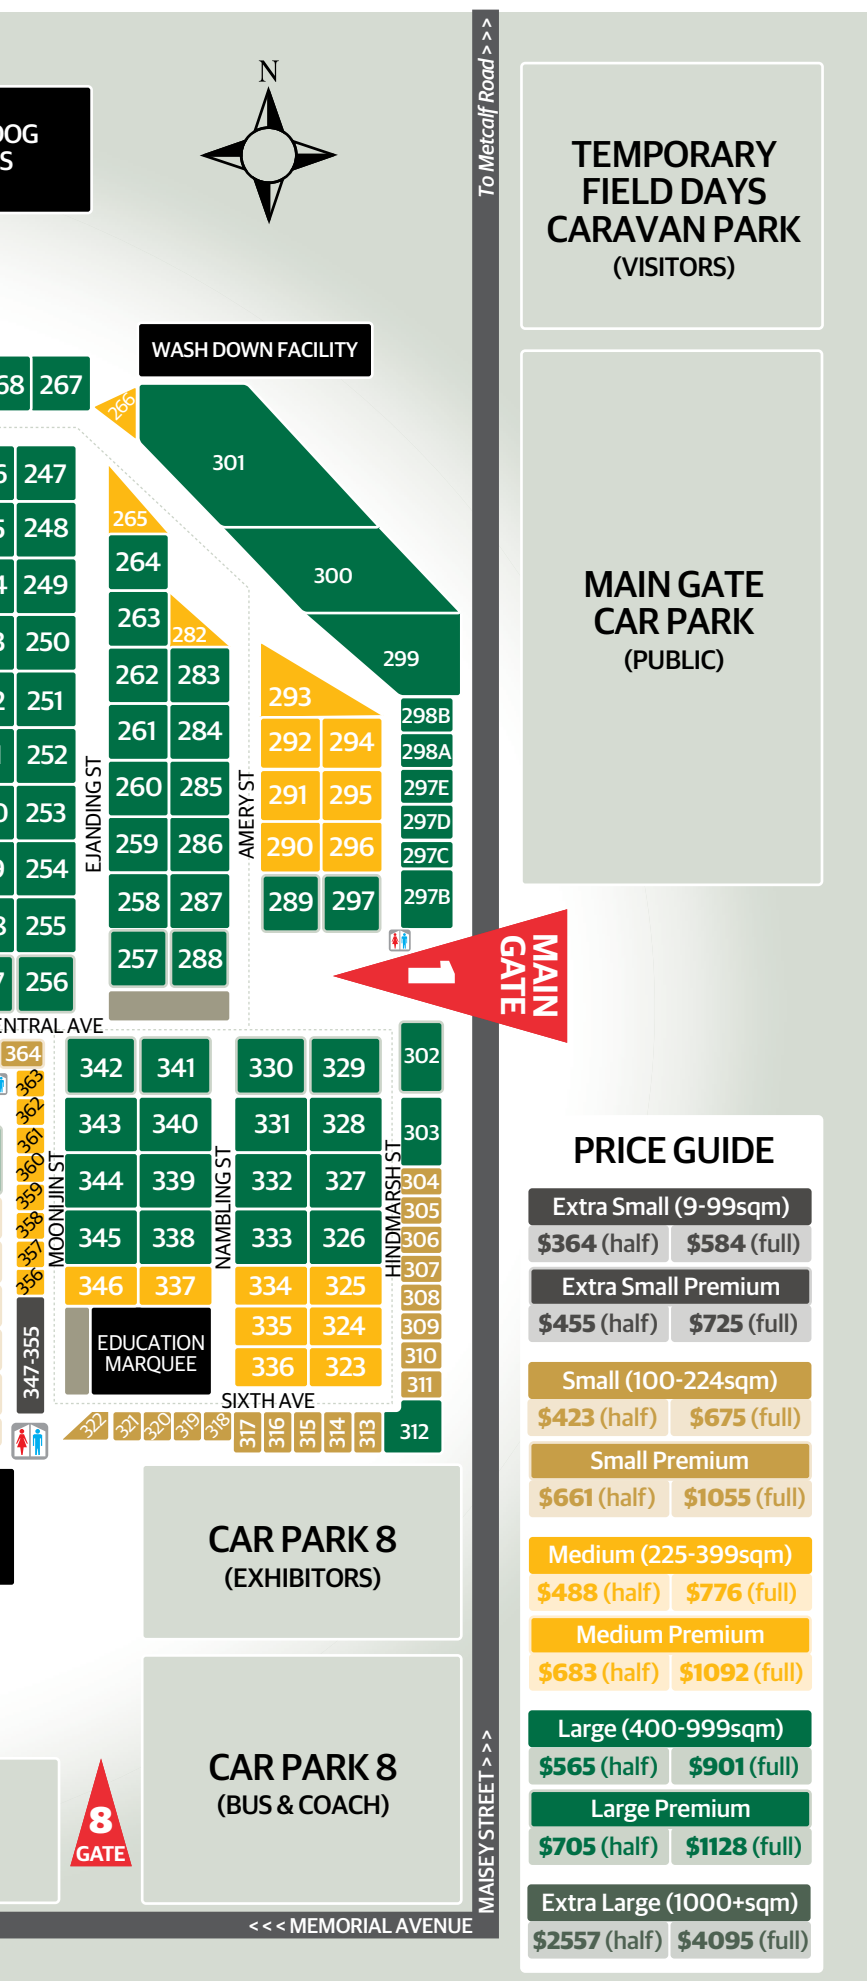

During the Dowerin GWN7 Machinery Field Days week, local residents of Dowerin and its surrounding shires may offer to rent accommodation out to exhibitors.

To apply for private accommodation, please complete the form on page 24 and return to catering@dowerinfielddays.com.au.

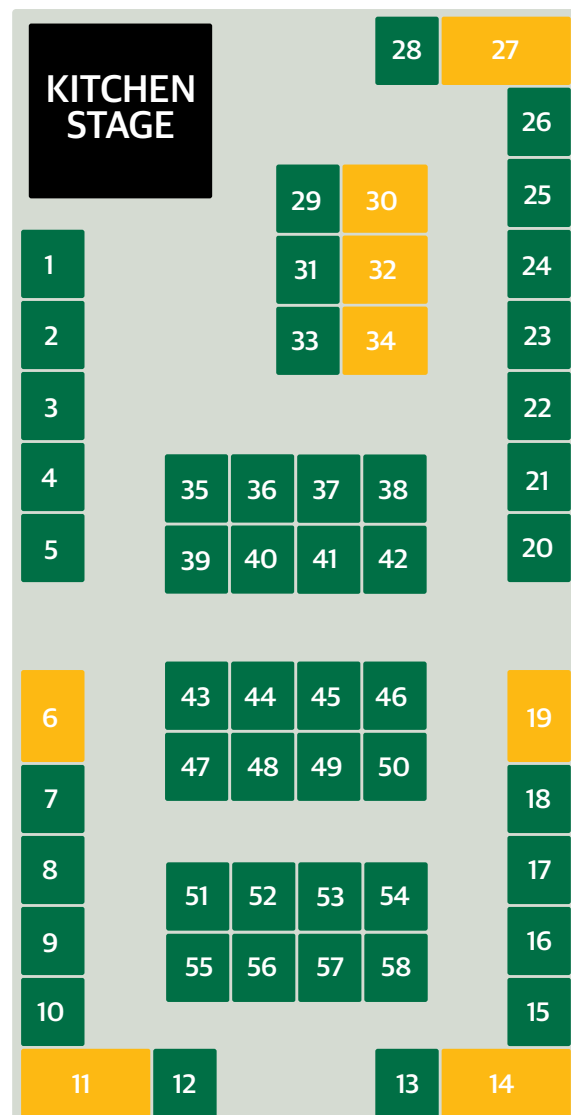

Please be aware that Field Days staff are able to put you in contact with local private accommodation providers only. All other arrangements (including payments) are between you and the provider. While staff do their best to ensure accommodation for all applicants, it is subject to availability.

Exhibitors must ensure all persons on or involved with their site are aware of the conditions listed below.

Any exhibitor applying after the May 17 deadline will be charged a 20% late fee.

COMPANY NAME:

THIS PAGE MUST BE SIGNED AND RETURED IN ORDER FOR APPLICATIONS TO BE CONSIDERED COMPLETE

1. Applications will not be processed unless the required monies have been paid and information is attached and lodged with the Event Co-ordinator, no later than the deadline.

2. It is the exhibitor's responsibility to ensure applications are received by the Event Co-ordinator.

3. All entries for both static and comparative displays must be on the site by 5pm on Tuesday, August 27, 2019 and must not be removed before 4.30pm on Thursday, August 29, 2019.

4. The Field Days Committee is not liable for loss or damage to an exhibitor's property while it is on the site.

5. All exhibitors must have their own public liability insurance with an indemnity amount of not less than \$10 million, covering them against any occurrence attributable to the activities of any persons for whom they are directly responsible.

6. Machinery must be in correct transport position when moving about the site, must not exceed 10km/h and must have adequate ground clearance.

7. Exhibitors are not to make excessive noise that would be considered disruptive to other exhibitors.

8. All sites must be left tidy prior to departure and kept clean throughout the Dowerin GWN7 Machinery Field Days.

9. Should the Field Days Committee find it necessary to cancel or postpone the 2019 Dowerin GWN7 Machinery Field Days, contracts shall cease to operate upon notice to that effect, and the Committee shall not be liable for any compensation. Any refund to the exhibitor will be at the sole discretion of the Committee.

10. Failure by an exhibitor to appear at the Dowerin GWN7 Machinery Field Days will be considered a breach of contract and no refund of monies will be paid. Applications of that exhibitor may also be rejected in following years. Exhibitors must have staff in attendance at their display for the duration of the event.

11. Any exhibitor cancelling after July 5, 2019 will not receive a refund and will be liable for all site costs associated with their application.

12. Any exhibitor cancellation received between May 17, 2019 and July 5, 2019 will receive a 50% refund only.

13. Notice of cancellation must be received in writing.

14. The Field Days Committee reserves the right to site re-allocation resulting from cancellation, non-attendance or late arrival of an exhibitor.

15. Exhibitors sited on the Football Oval or Hockey Field areas must not dig holes larger than 5cm in diameter. Any holes must be filled in at the completion of the event.

16. Vehicles with a carrying capacity of over three (3) tonnes are prohibited from the Football Oval and Hockey Field.

17. Welding and similar demonstrations are to be encased suitably so as to ensure public safety.

18. Exhibitors are to adequately cover the top of all marquee pegs and ensure Occupational Health and Safety codes are adhered to.

19. Exhibitors are responsible for ensuring power cords are appropriately tagged by a qualified electrician.

20. All sharers must be declared on page 21, to be completed by the main exhibitor only.

21. No exhibitor is permitted to share a site with other exhibitors, or any other party, except in accordance with clause 20.

22. Any exhibitor in breach of clauses 20 and 21 may be asked to remove their exhibit and may be suspended from exhibiting at future events.

23. The Event Co-ordinator reserves the right to allocate blocks the way they see fit, based on appropriate grouping of exhibits, exhibit size, power and telecommunication requirements, and prior attendance history.

24. The Field Days Committee reserves the right at any time prior to the opening of the Dowerin GWN7 Machinery Field Days to scrutinise, accept or reject applications and/or exhibits. The Field Days Committee's decision will be final.

25. Full payment must be received by July 5, 2019. After this time, unpaid sites will be reallocated.

26. Any cooking or food preparation (including BBQs) on blocks is strictly prohibited in compliance with Environmental Health Regulations.

27. All open flames, fire pits and bonfires et cetera are strictly prohibited on-site and in the Field Days caravan parks.

28. No dogs are permitted on site or in the Field Days caravan parks at any time, with the exception of service dogs.

29. Only new machinery can be sold at the Dowerin GWN7 Machinery Field Days. Second-hand machinery can be used only for display purposes and cannot be sold.

30. Exhibitors must make staff and suppliers aware of all OHS policies, which can be found at the Field Days Office and online at www.dowerinfielddays.com.au.

31. All exhibitor advertising, which includes but is not limited to sandwich boards, banners, leaflets, flyers and pamphlets, are permitted within an exhibitor's site boundary only.

32. The use of drones/UAVs on-site, or in the Field Days caravan parks and car parks, is strictly prohibited. Exhibitors wishing to execute drone demonstrations MUST seek permission from the Event Co-ordinator.

33. It is the responsibility of all exhibitors to organise any freight or permits et cetera required to ensure the safe arrival and departure for all components of their display within the outlined bump-in and bump-out period.

34. Vehicle movement around the Field Days site is strictly prohibited between 8am and 5pm on event days, the only exception being official Field Days and emergency service vehicles. Exhibitors will be allowed remove their vehicles after 5pm on Thursday, August 29, 2019.

35. Exhibitors must ensure that all staff and suppliers read, understand and comply with the Dowerin GWN7 Machinery Field Days Safety Induction.

36. Any representations made by volunteers are not binding. The granting of any kind of permissions is at the sole discretion of the Event Co-ordinator.

37. Exhibitors not complying with any conditions, co-operating with the organisers or complying with requests reasonably made, will have their contracts cancelled. The Field Days Committee's decision will be final.
